RGNUL INSTITUTE OF COMPETITIVE EXAMINATIONS (RICE)

HYBRID CRASH COURSE FOR UGC NET (LAW)

About The University

RGNUL (Rajiv Gandhi National University of Law) is a premier law university located in Punjab, India. Known for its academic excellence and focus on holistic legal education, RGNUL has consistently promoted innovative learning, research, and skill development among its students. The RGNUL Institute of Competitive Examinations (RICE) aims to provide platforms for legal skill enhancement, encouraging students to engage deeply with law beyond textbooks.

About The Course

The Two-Month Hybrid Crash Course is designed for LL.M. students and graduates preparing for the UGC NET (Law) Examination. The course aims to provide structured, comprehensive coverage of both Paper I (Teaching & Research Aptitude) and Paper II (Law) through interactive sessions, practice-based learning, and continuous assessment.

It combines conceptual clarity with applied understanding, helping aspirants strengthen their foundations while mastering examination techniques through mock tests and past-year paper discussions.
