VICE-CHANCELLOR'S MESSAGE

From its humble beginning in 2006 at the Mohindra Kothi, RGNUL has since travelled confidently and steadfastly forward, reaching significant milestones and achieving major success in almost all spheres of growth. The university moved to its permanent campus in the last academic session. All the academic and administrative units of the university became fully functional from the Sidhuwal campus. The 50 acre campus provides for all the needs of a residential educational institute namely, Academic and Administration Block, Hostels, Facility Area, Café, Health Center, Guest House etc.

We provide the best facilities and amenities, at the same time we make certain that the students at RGNUL make optimum use of the entire infrastructure provided and surpass the contemporaries. In consonance with RGNUL vision, a lot of emphasis is put on the research and academics. The dynamics of law are always kept in mind while developing curriculum, scheme of study, specializations being offered and research areas. In addition to publication of *RGNUL Law Review*, the university has launched another online research journal *RGNUL FINANCIAL & MERCANTILE LAW REVIEW*, It is an academic initiative to promote research and debate in areas of financial and economic impute.

This year too our students got selected as judicial officers, Supreme Court Researchers, joined reputed law firms and started their own career as litigation lawyers. It is the commitment and dedication of the faculty and students that has made this possible. The learning environment at RGNUL, closely monitors student progression and ensures pragmatic assistance as and when required. Well structured and compulsory internships also ensure industry exposure and practical learning. The RGNUL Internship and Placement Cell,

helps the students in guiding and planning their practical training programs and placement.

International and national collaborations in research also help students to underscore newer perspectives and are trained to adopt holistic approach to learning. In December, the university collaborated with Ontario International Development Agency (OIDA), Toronto, Canada and International Centre for Interdisciplinary Studies in Law, Laurentian University, Sudbury, Canada to organize International Conference on Sustainable Development. In March, the university organized 37th All India Criminology Conference of the Indian Society of Criminology (ISC), in collaboration with the Institute of Correctional Administration, Chandigarh. This also led to establishment of Patiala Chapter of Indian Society of Criminology at RGNUL. These activities are undertaken to provide impetus to research and scholarship.

Students at RGNUL are a vibrant and driven community. Moots, debates and cultural activities are organized by them as members of various students' committees. The university performs the role of a true teacher, helping students to learn not only in the classroom, but moving beyond the classrooms to develop skills, ensure mental dexterity and proficiency in organizing.

I welcome all the new students to the great RGNUL family.

With Best Wishes.

Professor (Dr.) Paramjit S. Jaswal

WHERE THE MIND IS WITHOUT FEAR

Where the mind is without fear and the head is held high

Where knowledge is free

Where the world has not been broken up into fragments

By narrow domestic walls

Where words come out from the depth of truth

Where tireless striving stretches its arms towards perfection

Where the clear stream of reason has not lost its way

Into the dreary desert sand of dead habit

Where the mind is led forward by thee

Into ever-widening thought and action

Into that heaven of freedom, my Father, let my country awake
