### About India Justice Report

The India Justice Report is a unique initiative in that it ranks individual Indian states in relation to their capacity to deliver access to justice. The ranking is based on quantitative measurements of budgets, human resources, infrastructure, workload, diversity across police, judiciary, prisons and legal aid. The first edition of the Report was published in November, 2019 and the second edition of the Report was published in January, 2021. The India Justice Report is an initiative of Tata Trusts.
