

Judiciary Guidance by Alumna Anandita Bhargava

The institution organized a guidance session with Alumna Anandita Bhargava, who shared her experiences and preparation strategies for judicial services. Her practical insights into examination patterns and study techniques motivated students aspiring for the judiciary. This event provided inspiration, guidance, and a sense of direction to law students pursuing competitive exams.

Alumni Felicitation and Guidance Seminar

The Alumni Felicitation and Guidance Seminar created a platform for graduates to share their achievements and mentor current students. The event highlighted alumni success stories, giving students a real sense of career possibilities. Interactive discussions and advice helped students gain confidence and awareness about different professional paths.

Release of *SANKALP*

The institution launched *SANKALP*, a syllabus compilation designed to help students prepare systematically for competitive exams. The resource provided organized study material and subject-wise guidance in a structured format. By making essential content accessible, it empowered students to stay focused and better equipped for exams.

Career Counselling Sessions

During the year 2024–2025, around 400–500 students benefited from career counselling sessions organized by the institution. These sessions offered personalized guidance on career planning, exam preparation, and professional development. By addressing academic as well as competitive exam-related queries, the counselling services supported students in shaping their future goals.

Competitive Exam Success

Out of the students who received counselling and participated in institutional initiatives, 32 successfully cleared competitive examinations. This reflects the positive impact of the guidance and resources provided by the institution.

Average Beneficiaries (47–48%)

On an average, 47–48% of students availed themselves of the career counselling and exam guidance services during the year. This statistic indicates that nearly half the student body actively engaged with the institution's initiatives. It also highlights the institution's commitment to ensuring accessibility and wide-reaching impact.
