

ORIENTATION SESSION REPORT

Centre for Advanced Studies in Labour Welfare (CASLW) successfully conducted an Orientation Session for the Batch of 2026 on 25 September 2021 through Cisco Webex.

It was a fruitful and interactive session which helped students recognize the work that different teams do at CASLW and how the Centre functions. The main aim of the session was to introduce the well-honed team of the Centre, the functioning of the Centre, and to encourage students to understand the underlying discourse prevailing around labour law and the contemporary relevance of the same.

The Moderator for the event was **Ms. Tanisha Singh** who facilitated the whole session. She then introduced the former Student Convenor **Mr. Anchit Singla** whose kind words attracted the attendees to learn more about the past activities and events of the Centre. The functioning of the Centre's was further elaborated by the current Joint-Convenors, **Ms. Tamanna Gupta** and **Ms. Aastha Singh**.

Furthermore, the members of the Centre, in different teams such as Public Relations Team, Research Team & Digital Editing Team, were introduced and members talked

about their experience and the work that they contributed to at CASLW, at the session.

As the Centre would refuse to let the briefing be a monotonous lecture, it was time for the **Q&A Session**, which dealt with questions that came in mainly from the Batch of 2026 and were diligently answered by the Faculty Co-Ordinator **Dr. Geetika Walia**. She filled the students with enthusiasm for Labour Laws and encouraged students to be the change that they want to see in the world by doing small gestures of big magnitude. After the conclusion of the Q&A session, the event was formally concluded.

The Centre would also like to acknowledge the role of the faculty coordinators, Dr. Geetika Walia and Ms. Sonika for successfully organizing the orientation session. Lastly, The Centre would like to thank the attendees for making it a fruitful & interactive session, and looks forward to continued participation in other events organized by Centre for Advanced Studies in Labour Welfare (CASLW).
