

ABOUT THE SCHOOL

The School of Social Sciences and Interdisciplinary Studies ('SSSIS') is a research centre under the aegis of Rajiv Gandhi National University of Law, Punjab ('RGNUL'). The school focuses on disseminating, analyzing and interpreting the information on the various social, legal, economic, political, philosophical issues while adopting the interdisciplinary approach to trigger the thought process on the interplay between these subjects. The school seeks to initiate conversations, debates and discussions and promotes the idea of interdisciplinary research in the fields of Law, Human Rights, Public Policy, International Relations and Political Philosophy.

OBJECTIVES OF THE SSSIS

The SSSIS aims to promote, undertake and supports various initiatives with a multifaceted approach sparking interdisciplinary thinking in areas of Law, Human Rights, Public Policy, International Relations and Political Philosophy:

- 1) To continuously promote interdisciplinary studies and research within the University as well as in partnership with other national and international educational/academic institutions and other institutions promoting in academics and research.
- 2) To design new curriculum and new degrees of academic and social relevance.
- 3) To promote innovative methods in order to make education system goal oriented and effective.
- 4) To encourage a holistic intellectual approach to address various issues.
- 5) To achieve excellence in the field of integrated studies and higher level of research by establishing center for specialized areas of research.
