

## **Report- Intra Moot Court Competition, 2022**

The RGNUL Moot Court Committee organized the Intra-Moot Court Competition for students of the 2nd – 5th year on 16th, 17th, and 18th August 2022. The subject matter of the moot proposition for this year was Constitutional Law, and revolved around the Sabarimala Temple case. The purpose behind the Intra-Moot is to allow students to represent the college based on their scores, which allows for a more refined approach to mooting. This year, the Moot was held offline, and was a huge success, based on the number of participating teams. There were around 100 teams that participated in the moot court competition.

The judges for the moot were the RGNUL faculty members and LL.M. students of RGNUL.

The Committee congratulates Parth Gupta (Best Speaker), Lavanya Garg (Best Researcher), the team comprising Tanishka Kapoor, Shashwat Giri, and Lavanya Garg (Best Team), and the team comprising Nandini Mishra, Diya Vig, and Mona Lisa Nanda (Best Memorial) for their achievement at the competition.
