## Vice-Chancellor's *Message*

It is a matter of great pride to be part of Rajiv Gandhi National University of Law, Punjab which has become a premier institution of Law in the country. This institution offers a curriculum that prepares the graduating students to meet the challenges of not only academia but also of the legal profession. Our alumni have already established a mark in the legal world. The previous year saw more than eight students of RGNUL clearing judicial services exams of different states.

The growth that RGNUL has achieved in the past years has been possible due to the untiring efforts of the faculty which imparts teaching by combining knowledge with good teaching techniques. There is a constant endeavour to upgrade the course curriculum periodically so that the latest contemporary topics can be taught to the students and better research can be initiated by the students. RGNUL has established Centres of advanced studies to create a healthy research environment for the faculty and the students. These centers are fully equipped to assist the research up to post doctoral level. RGNUL takes the fact very

seriously that now the students have to compete not only in the National market but in international arenas as well. Every effort is made to prepare them for the international competitions. The course is drafted to give them the theoretical expertise and practical knowledge along with it. The degree offers a comprehensive study in four areas of specialization to enhance their competitive skills and knowledge.

RGNUL Punjab is the first National Law University to be accredited with grade "A" by NAAC and is amongst one of top 60 institutes of excellence in higher education as certified by the MHRD. workers, problems related to marketing of agricultural produce; credit needs; farm management and tenancy issues; environmental concerns; policy framework and agricultural planning issues related to international trade in agriculture especially under the regime of the WTO. The emphasis on economic development had to be justified with industrial expansion and growth; which further deprived agriculture of an optimum concern and impetus. All these features resulted into Agricultural Deterioration; further creating a need to balance development with sustainability goals. Research in agriculture and development of agricultural law are a probable consequence of these factors. Agriculture, when ignored in policy making and law formation, has posed numerous challenges for the administration; as the Indian society and its livelihood depends upon the agrarian pattern to a large extent. The School of Agricultural Law would encompass the study of the law which focuses on the special rules and exceptions made for agriculture. It aims at focusing how agricultural laws can be used to serve the diverse and competent interests of the agrarian society. An understanding of agricultural laws would require an understanding of the agricultural financial institutions and the people associated therein such as the farmers, food processors, the landlords, the tillers, the suppliers of agricultural inputs and equipments, agricultural workers, etc..

# ABSOLUTE RAGGI **NO** TO G

"Ragging" means causing, inducing, compelling or forcing a student, whether by way of a practical joke or otherwise, to do any act which detracts from human dignity or violates his / her person or exposes him / her to ridicule, or compels him / her to forbear from doing any lawful act, by intimidating, wrongfully restraining, wrongfully confining or injuring him / her or by using criminal force to him / her, or by holding out to him / her any threat of such intimidation, wrongful restraint, wrongful confinement, injury or the use of criminal force.

Ragging being an evil practice, is inhuman, illegal and punishable. It violates the discipline of an educational institution and adversely affects the standards of higher education. Ragging in educational institutions is banned by the Hon'ble Supreme Court of India. The Hon'ble Court has issued mandatory orders to curb the menace of ragging in educational institutions. If an applicant for admission is found to have indulged in ragging in the past or it is noticed later that he / she has indulged in ragging, his / her admission may be refused or he / she shall be expelled from the educational institution. The punishment may also be in other forms, such as suspension from the classes for a limited period, or fine with a public apology, debarment from representation in events, withholding results, suspension or expulsion from hostel or mess, and the like. If the Head of the Institution is not satisfied with these arrangements for action, a First Information Report (FIR) can be filed without exception by the institutional authorities with the local police. The discretionary power vests solely with the University Authorities.

We at RGNUL are committed to removing ragging in all forms. In compliance with the guidelines laid down by the Hon'ble Apex Court of the country, RGNUL has constituted an Anti-Ragging Committee. Anti-Ragging Committee comprises four faculty members nominated by the Vice-Chancellor.

The Anti-Ragging Committee of the University shall assist to observe the recommendations / directions issued by the Hon'ble Supreme Court without exception, and if it is observed that there is any deviation, the Committee shall inform the University authorities.

"Let's together curb this menace".

## ABSOLUTE NO TO RAGGING

- According to the directions of the Hon'ble Supreme Court of India in University of Kerala v. Council of Principals of Colleges in Kerala, (in SLP no. 24295 of 2006 dated 16.05.2007) ragging within or outside any educational institution is strictly prohibited.
- 'Ragging' means any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or indiscipline activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student.
- The University Grants Commission (UGC), New Delhi has also taken a stern view of the problem of ragging and has also issued the necessary guidelines to curb the menace of ragging.

### According to the Hon'ble Supreme Court, the following recommendations need immediate implementation:

- The punishment to be meted out has to be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents;
- Every single incident of ragging where the victim or his parent/guardian or the Head of institution is not satisfied with the institutional arrangement for action, a First Information Report (FIR) must be filed without exception by the institutional authorities with the local police authorities;
- Courts should make an effort to ensure that cases involving ragging are taken upon priority basis to send the correct message that ragging is not only to be discouraged but is also to be dealt with sternness;
- The court has directed the exploration of possibility of introducing in the educational curriculum, a subject relating to ragging;
- In the prospectus to be issued for admission by educational institutions, it shall be clearly stipulated that in case the applicant for admission is found to have indulged in ragging in the past or if it is noticed later that he has indulged in ragging, admission may be refused or he shall be expelled from the educational institution;
- The Central Government and the State Governments shall launch a programme giving wide publicity to the menace of ragging and the consequences which follow in case any student is detected to have been involved in ragging;
- Role of the concerned institution shall also be open to scrutiny for the purpose of finding out whether they have taken effective steps for preventing ragging and in case of their failure, action can be taken against them, too;
- Anti-Ragging Committees and squads shall forthwith be formed by the institutions to see that the Committees' recommendations are observed without exception and if it is noticed that there is any deviation, the same shall forthwith be brought to the notice of this Court; and
- The Committee constituted pursuant to the order of this Court shall continue to monitor the functioning of the Anti-Ragging Committees and the squads to be formed. They shall also monitor the implementation of the recommendations to which reference has been made above.

### Acts Amounting to Ragging Could be:

**LET'S TOGETHER CURB THIS MENACE**

## Where the mind is without fear

Where the mind is without fear and the head is held high  
Where knowledge is free  
Where the world has not been broken up into fragments  
By narrow domestic walls  
Where words come out from the depth of truth  
Where tireless striving stretches its arms towards perfection  
Where the clear stream of reason has not lost its way  
Into the dreary desert sand of dead habit  
Where the mind is led forward by thee  
Into ever-widening thought and action  
Into that heaven of freedom, my Father, let my country awake
