### **School Of Agricultural Law and Economics (SALE)**

School of Agricultural Law and Economics (SALE) is a Centre of excellence established with an object to provide a platform for multidimensional analysis of the agricultural sector in connotation to legal, social, political and cultural paradigms. In other terms, it is centre forwarding inter-disciplinary approach to the study of economics and law. It undertakes research projects, curriculum coverage on important themes like standardization of agricultural products; farming patterns; Issues related to agricultural insurance especially the crops and the workers, problems related to marketing of agricultural produce; credit needs; farm management and tenancy issues; environmental concerns; policy framework and agricultural planning issues related to international trade in agriculture especially under the regime of the WTO. The emphasis on economic development had to be justified with industrial expansion and growth; which further deprived agriculture of an optimum concern and impetus. All these features resulted into Agricultural Deterioration; further creating a need to balance development with sustainability goals. Research in agriculture and development of agricultural law are a probable consequence of these factors. Agriculture, when ignored in policy making and law formation, has posed numerous challenges for the administration; as the Indian society and its livelihood depends upon the agrarian pattern to a large extent. The School of Agricultural Law encompasses the study of the law which focuses on the special rules and exceptions made for agriculture. It aims at focusing how agricultural laws can be used to serve the diverse and competent interests of the agrarian society.

# ABSOLUTE **No** TO RAGGING

"Ragging" means causing, inducing, compelling or forcing a student, whether by way of a practical joke or otherwise, to do any act which detracts from human dignity or violates his / her person or exposes him / her to ridicule, or compels him / her to forbear from doing any lawful act, by intimidating, wrongfully restraining, wrongfully confining or injuring him / her or by using criminal force to him / her, or by holding out to him / her any threat of such intimidation, wrongful restraint, wrongful confinement, injury or the use of criminal force.

Ragging being an evil practice, is inhuman, illegal and punishable. It violates the discipline of an educational institution and adversely affects the standards of higher education. Ragging in educational institutions is banned by the Hon'ble Supreme Court of India. The Hon'ble Court has issued mandatory orders to curb the menace of ragging in educational institutions. If an applicant for admission is found to have indulged in ragging in the past or it is noticed later that he / she has indulged in ragging, his / her admission may be refused or he / she shall be expelled from the educational institution. The punishment may also be in other forms, such as suspension from the classes for a limited period, or fine with a public apology, debarring from representation in events, withholding results, suspension or expulsion from hostel or mess, and the like. If the Head of the Institution is not satisfied with these arrangements for action, a First Information Report (FIR) can be filed without exception by the institutional authorities with the local police. The discretionary power vests solely with the University Authorities.

We at RGNUL are committed to removing ragging in all forms. In compliance with the guidelines laid down by the Hon'ble Apex Court of the country, RGNUL has constituted an Anti-Ragging Committee. Anti-Ragging Committee comprises four faculty members nominated by the Vice-Chancellor.

The Anti-Ragging Committee of the University shall assist to observe the recommendations / directions issued by the Hon'ble Supreme Court without exception, and if it is observed that there is any deviation, the Committee shall inform the University authorities.

"Let's together curb this menace".

## ABSOLUTE NO RAGGING

"Ragging means any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with cruel or inhuman or any other student, or indulging in cruel or unbecoming activities by any student or students which causes or is likely to cause annoyance, harassment or psychological harm or to cause fear or apprehension thereof in any teacher or any other student. The University Grants Commission (UGC), New Delhi has also taken a stern view of the problem of ragging and has issued the necessary guidelines to curb the menace of ragging.

### According to the Hon'ble Supreme Court, the following recommendations need immediate implementation:

- The punishment to be meted out has to be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents;
- Every single incident of ragging where the victim or his parent/guardian or the Head of institution is not satisfied with the institutional arrangement for action, a First Information Report (FIR) must be filed without exception by the institutional authorities with the local police authorities;
- Courts should make an effort to ensure that cases involving ragging are taken upon priority basis to send the correct message that ragging is not only to be discouraged but is also to be dealt with sternness;
- The court has directed the exploration of possibility of introducing in the educational curriculum, a subject relating to ragging;
- In the prospectus to be issued for admission by educational institutions, it shall be clearly stipulated that in case the applicant for admission is found to have indulged in ragging in the past or if it is noticed later that he has indulged in ragging, admission may be refused or he shall be expelled from the educational institution;
- The Central Government and the State Governments shall launch a programme giving wide publicity to the menace of ragging and the consequences which follow in case any student is detected to have been involved in ragging;
- Role of the concerned institution shall also be open to scrutiny for the purpose of finding out whether they have taken effective steps for preventing ragging and in case of their failure, action can be taken against them, too;
- Anti-Ragging Committees and squads shall forthwith be formed by the institutions to see that the Committees' recommendations are observed without exception and if it is noticed that there is any deviation, the same shall forthwith be brought to the notice of this Court; and
- The Committee constituted pursuant to the order of this Court shall continue to monitor the functioning of the Anti-Ragging Committees and the squads to be formed. They shall also monitor the implementation of the recommendations to which reference has been made above.

## WHERE THE MIND IS WITHOUT FEAR

Where the mind is without fear and the head is held high  
Where knowledge is free  
Where the world has not been broken up into fragments  
By narrow domestic walls  
Where words come out from the depth of truth  
Where tireless striving stretches its arms towards perfection  
Where the clear stream of reason has not lost its way  
Into the dreary desert sand of dead habit  
Where the mind is led forward by thee  
Into ever-widening thought and action  
Into that heaven of freedom, my Father , let my country awake

*Rabindernath Tagore's Geetanjali*
