Recruitment process

The following steps have been enumerated by the Placement Cell to streamline the recruitment process for the recruiter as well as students

Initial Communication with the Recruiter

The Placement Cell shall send invitations to recruiters along with the placement brochure and relevant information. Alternatively, an organisation may send description of potential career options to placementcell@rgnul.ac.in

Pre-Placement Talks

We encourage Pre Placement Talks (PPT) by the recruiter with the interested candidates. The PPT provides an opportunity for students to learn more about the recruiter including its vision, career prospects and work culture among other things. However, the same is subject to discretion of the recruiter.

Pre-Interview Screening Process

If the recruiter deems appropriate, a Pre interview Screening Process may be conducted prior to the final interview. The process may include group discussions, telephonic or skype interviews, written questionnaires or any other process that the recruiter considers necessary.

Final Interview

Following the PPT and the Pre-Interview Screening Process, the recruiter is required to submit a list of candidates. The recruiter may also formulate a waitlist of students who may be interviewed if the selected applicant is unavailable for the interview.

Intimation of Offers

The recruiter is required to intimate offer(s) made to the students solely through the Placement Cell. If the recruiter deems appropriate, a waitlist may be disclosed along with the final offers.

About our Placement Cell

The RGNUL Placement Cell was formed in the year 2011 to provide the students a planned transition from the University curriculum to a personal and professional setting in a students' area of interest. It also helps the students in guiding and planning their practical training programmes and placement. The students of I to IX Semester have to undergo training under reputed NGOs, law firms, corporate offices, senior advocates, clerkship under the Honorable Supreme Court and High Court Judges and other related Public Sector undertakings.

The Placement Cell is a duly constituted body comprising of both student and faculty members, primarily entrusted with the responsibility of facilitating and conducting recruitment process for the batch of 2022. The Placement Cell endeavors to provide a platform to the prospective recruiters in the legal industry and students of the batch of 2022 for conducting recruitment.
